WHOLESALE LIST

RHODODENDRON LINERS

We have an unusually nice lot of liners this year. They rooted early and were transplanted promptly into straight peat in greenhouse bench or plastic house. They are being disbudded as they push, so there will be more than one stem. It looks now as if they will be ready to ship by June 1 or a little earlier, as soon as their first flush of growth has hardened up.

Price \$.90 each for 10 of a kind, less than 10 of a kind, or total order less than 25, price is \$1.00 each. Price of listed dwarfs \$.75 each for 10 of a kind.

For more information about these varieties see "Rhododendrons 1956" by the American Rhododendron Society. We actually propagated many additional varieties, in small lots, so ask for any not listed -- we may have them. All plants from cuttings of course.

TERMS

Cash with order, F. O. B. Long Beach. Plants are guaranteed true to name but in no event will we be liable for more than the original purchase price. Plants become your property upon delivery, in good condition, to the transportation company.

OUR LOCATION

We are on the Sand Ridge Road, about 4 miles northeast of Long Beach, on a narrow peninsula between the Pacific Ocean and Willapa Bay. This is in the extreme southwest corner of the state of Washington. We would be glad to have you stop in and examine our plants any time you happen to be in this vicinity.

UNBUDDED RHODODENDRONS, OUTSIDE GROWN

These plants were moved last summer, too late for many buds. Most of the budded stock is sold although we have a few varieties with buds, mostly small numbers. For landscaping, these unbudded plants give you a maximum of size at a minimum cost. Come and see them if you can. Prices based on at least 5 of a kind.
